Interested parties may register, view, and download the Bidding Documents online at on the T-O Engineers web site under the Contract Bidding tab. The Bidder is advised that construction site aviation safety is of paramount importance. There is a Construction Safety Phasing Plan that is part of the project requirements and the Contractor will need to conduct his/her operations in strict accordance with this plan. There are penalty provisions outlined in the Construction Safety Phasing Plan for noncompliance by the Contractor's personnel. All costs associated with the Contractor's compliance with this operational plan will be considered incidental to and included in the prices bid for the actual work items of the bid schedule. Rawlins-Carbon County Airport Board/Rawlins Municipal Airport/Harvey Field, in accordance with the provisions of Title VI of the Civil Rights Act of 1964 (78 Stat. 252, 42 U.S.C. §§ 2000d to 2000d-4) and the Regulations, hereby notifies all bidders that it will affirmatively ensure that any contract entered into pursuant to this advertisement, disadvantaged business enterprises will be afforded full and fair opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color, or national origin in consideration for an award. The Bidder is hereby notified that this project is subject to FAA Federal Contract Provisions, including, but not limited to: Buy American Preference, Davis Bacon, Affirmative Action, Government-wide Debarment and Suspension, and Government-wide Requirements for Drug-Free Workplace. Notice of Requirement for Affirmative Action to Ensure Equal Employment Opportunity 1. The Offeror's or Bidder's attention is called to the "Equal Opportunity Clause" and the "Standard Federal Equal Employment Opportunity Construction Contract Specifications" set forth herein. 2. The goals and timetables for minority and female participation, expressed in percentage terms for the Contractor's aggregate workforce in each trade on all construction work in the covered area, are as follows: Timetables Goals for minority participation for each trade: 7.5% Goals for female participation in each trade: 6.9% These goals are applicable to all of the Contractor's construction work (whether or not it is Federal or federally assisted) performed in the covered area. If the Contractor performs construction work in a geographical area located outside of the covered area, it shall apply the goals established for such geographical area where the work is actually performed. With regard to this second

area, the Contractor also is subject to the goals for both its federally involved and non-federally involved construction. The Contractor's compliance with the Executive Order and the regulations in 41 CFR Part 60-4 shall be based on its implementation of the Equal Opportunity Clause, specific affirmative action obligations required by the specifications set forth in 41 CFR 60-4.3(a) and its efforts to meet the goals. The hours of minority and female employment and training must be substantially uniform throughout the length of the contract, and in each trade, and the Contractor shall make a good faith effort to employ minorities and women evenly on each of its projects. The transfer of minority or female employees or trainees from Contractor to Contractor or from project to project for the sole purpose of meeting the Contractor's goals shall be a violation of the contract, the Executive Order and the regulations in 41 CFR Part 60-4. Compliance with the goals will be measured against the total work hours performed. 3. The Contractor shall provide written notification to the Director of the Office of Federal Contract Compliance Programs (OFCCP) within 10 working days of award of any construction subcontract in excess of \$10,000 at any tier for construction work under the contract resulting from this solicitation. The notification shall list the name, address, and telephone number of the subcontractor; employer identification number of the subcontractor; estimated dollar amount of the subcontract; estimated starting and completion dates of the subcontract; and the geographical area in which the subcontract is to be performed. 4. As used in this notice and in the contract resulting from this solicitation, the "covered area" is Wyoming, Sweetwater County, Rawlins. A pre-bid conference will be held at 1:30 pm local time on March 26, 2020 at the 1300 Airport Road, Rawlins, WY 82301. A site tour will follow the pre-bid meeting. Attendance at the pre-bid conference is not mandatory, but strongly encouraged. Owner: Rawlins-Carbon County Airport Board By: Aaron Durst Title: Airport Board Chairman
