Notice is hereby given that the Shell Valley Watershed Improvement District (District) requests qualifications for the construction of: The Leavitt Reservoir Expansion Project (Project) The Project is located in the Beaver Creek Valley approximately 15 miles east of Greybull, Wyoming and includes the construction of a new earthen embankment dam, water conveyance pipelines, wetlands mitigation area, and recreation facilities.

Construction is anticipated to commence on or around November 15, 2021 with a substantial completion in Fall 2023. The major items of work include:

- Construction of a zoned earthen embankment dam that is up to approximately 85 feet tall and 4,200 feet long and consists of approximately 1.5 million cubic yards of primarily locally borrowed fill.
- Construction of an outlet works consisting of 42-inch diameter steel pipe and an approximately 90-foot-tall combination gate and spillway tower.
- Construction of approximately 9,200 feet of a 42-inch-diameter supply pipeline and associated diversion structure on Beaver Creek.
- Construction of approximately 17,700 feet of a 36-inch diameter transfer pipeline, associated diversion structure on Beaver Creek, and multiple discharge structures.
- Construction of an approximately 23-acre wetlands mitigation area.
- Construction of recreation facilities including a concrete boat ramp.

The Engineer's Opinion of Probable Construction Cost range is \$40M to \$50M. Notice is hereby provided that any contractor wishing to perform work in any or all of the following critical work categories must prequalify. Critical work categories include general contractor, earthwork, pipeline installation, and concrete construction of the gate tower. Bids will be submitted by general contractors who successfully prequalify. If the general contractor will not self-perform work in any of the remaining critical work categories, they must select a subcontractor who successfully prequalified in the needed category of work. Request for qualification (RFQ) documents can be obtained from the issuing office by submitting an email request to: [kmininger @rjh-consultants.com](mailto:kmininger@rjh-consultants.com) A

voluntary virtual prequalification meeting will be held on August 13, 2021 at 9:00 a.m. MDT and can be accessed using the following link: <https://us02web.zoom.us/j/84429067213>. All interested contractors and subcontractors are strongly encouraged to attend. All questions regarding the RFQ must be submitted in writing to Kevin Mininger at the above email address. All questions must be received by 5:00 p.m. MDT Wednesday August 18, 2021. The RFQ will close 2:00 p.m. MDT on Friday August 27th, 2021. All prequalification documents must be submitted to the issuing office before that time. This is not a request for bid. The District is not obligated by this announcement to award any contract. The District reserves the right to reject any and all prequalifications and to waive any irregularities therein, and all prequalifiers shall agree that such rejection shall be without liability on the part of the District or Issuing Office for any damage or claim brought by any prequalifiers because of such rejections, nor shall the prequalifiers seek any recourse of any kind against the District or Issuing Office because of such rejections. The filing of any prequalification statement in response to this invitation shall constitute an agreement of the prequalifiers to these conditions.

Project Description:

WCSD #2 has been appropriated by the Wyoming State Legislature to begin design of a new school facility. No construction funding has been allotted at this time. Construction funding is to be determined and would require a legislative appropriation; and there is no guarantee of funding at this Revised August 2019 Page 4 of 11 Request for Proposal time. With design process moving forward, there is anticipated to be a gap in time between completion of design and potential construction funding. Design is anticipated to take 12 months, with construction anticipated to last 18 months. Design proposals shall include provisions to address the possible gap in time between design completion and start of construction, should funding become available.

Additional Description: All submitted Proposals shall be sealed and must be received by Washakie County School District No. 2, at 242 Cedar St, Ten Sleep WY 82442, no later than 4:00 pm on 9/16/2021. Proposals may be delivered in person, via US Postal Service, or via commercial parcel service. Proposals will not be accepted via facsimile transmission, email, or any other electronic or telephonic means. Only such Proposals that have been received by the District at the address, time, and date listed above will be considered.
