

WYDOT/AGC of Wyoming Collaboration Program Training

1 Day Class

CALLING ALL CONSTRUCTION PROFESSIONALS

Please join us to enhance your own skills and to help strengthen the WYDOT/AGC of Wyoming Collaboration Program to build trust, enhance collaborative processes and create better solutions. This one-day class will have participants from both WYDOT and the construction industry, providing an excellent opportunity to network and gain new perspectives.

Course Dates

Tuesday, March 21, 2023 or Thursday, March 23, 2023

8:00am to 4:00pm

\$100.00 per attendee (includes lunch)

Thyra Thomson Building, Roundhouse Room, 3rd floor
444 W. Collins Drive · Casper

Registration Deadline is March 15, 2023!

The WYDOT/AGC of Wyoming Collaboration training class is designed to help WYDOT personnel and contractors understand and implement the program. The class covers definitions, specs and details of the WYDOT Collaboration Program Field Guide. Additionally, the curriculum includes tools for helping the participants become better team members such as improved communication skills and conflict resolution strategies.
