Schedule II (Federal) - Acquire ARFF Equipment

Schedule III (Federal) - Acquire ARFF Personal Protective Equipment

Schedule IV (Federal) - Acquire ARFF Medical Equipment

Construction for this project is expected to take 425 calendar day(s).

Contract Documents. The complete set of Specifications and Contract Documents can be downloaded from Jviation, Inc. s bid site (<http://bid.jviation.com>) beginning on March 31, 2023. In order to submit a responsive bid as a Prime Contractor and to receive all necessary addendum(s) for this project, you must be on the Planholder s List. To view all planholder documents (contract documents, plans and addendums) you must fill out the online form located at (<https://jviation.com/bid-request/>). By filling out and submitting this

form, you agree to be publicly listed on the bid site with your contact information as a planholder for all projects requested. It is the planholder's responsibility to review the site for addendums and changes before submitting their proposal. For additional information, please contact us via email at bid.info@woolpert.com.

*Note that contractors will NOT be automatically added to new projects. You will need to re-submit the online form for access to new projects. Once granted access, additional projects will use your same login credentials. Note: Plan ahead when submitting the online request form and allow up to 2 business days for approval and access to projects.

Pre-Bid Conference. A Pre-Bid conference will not be held for this project.

Bid Conditions. The bidder is required to provide all information as required within the Contract Documents. The bidder is required to bid on all items of every schedule or as otherwise detailed in the Instructions to Bidders.

Bids may be held by Laramie Regional Airport Board for a period not to exceed 90 calendar days from the date of the bid opening for the purpose of evaluating bids prior to award of contract.

The right is reserved, as Laramie Regional Airport Board may require, to reject any and all bids and to waive any informality in the bids received.

All questions regarding the bid are to be directed to Alex Nodich, P.E. with Aviation, Inc., at alex.nodich@woolpert.com.

Bid Bond. Guarantee will be required with each bid as a certified check on a solvent bank or a Bid Bond in the amount of five (5) % of the total amount of the bid, made payable to the Laramie Regional Airport Board.

Performance & Payment Bond. The successful bidder will be required to furnish separate performance and payment bonds each in an amount equal to 100% of the contract price.

FAA Buy American Preference

The Contractor certifies that its bid/offer is in compliance with 49 USC 50101, BABA and other related Made in America Laws, U.S. statutes, guidance, and FAA policies, which provide that Federal funds may not be obligated unless all iron, steel and manufactured goods used in AIP funded projects are produced in the United States, unless the Federal Aviation Administration has issued a waiver for the product; the product is listed as an Excepted Article, Material Or Supply in Federal Acquisition Regulation subpart 25.108; or is included in the FAA Nationwide Buy American Waivers Issued list.

The bidder or offeror must complete and submit the certification of compliance with FAA s Buy American Preference, BABA and Made in America laws included herein with their bid or offer. The Airport Sponsor/Owner will reject as nonresponsive any bid or offer that does not include a completed certification of compliance with FAA s Buy American Preference and BABA.

The bidder or offeror certifies that all constructions materials, defined to mean an article, material, or supply other than an item of primarily iron or steel; a manufactured product; cement and cementitious materials; aggregates such as stone, sand, or gravel; or aggregate binding agents or additives that are or consist primarily of: non-ferrous metals; plastic and polymer-based products (including polyvinylchloride, composite building materials, and polymers used in fiber optic cables); glass (including optic glass); lumber; or drywall used in the project are manufactured in the U.S.

Trade Restriction Certification

By submission of an offer, the Offeror certifies that with respect to this solicitation and any resultant contract, the Offeror

1) is not owned or controlled by one or more citizens of a foreign country included in the list of countries that discriminate against U.S. firms as published by the Office of the United States Trade Representative (USTR);

2) has not knowingly entered into any contract or subcontract for this project with a person that is a citizen or national of a foreign country included on the list of countries that discriminate against U.S. firms as published by the USTR; and

3) has not entered into any subcontract for any product to be used on the Federal project that is produced in a foreign country included on the list of countries that discriminate against U.S. firms published by the USTR.

This certification concerns a matter within the jurisdiction of an agency of the United States of America and the making of a false, fictitious, or fraudulent certification may render the maker subject to prosecution under Title 18 USC 1001.

The Offeror/Contractor must provide immediate written notice to the Owner if the Offeror/Contractor learns that its certification or that of a subcontractor was erroneous when submitted or has become erroneous by reason of changed circumstances. The Contractor must require subcontractors provide immediate written notice to the Contractor if at any time it learns that its certification was erroneous by reason of changed circumstances.

Unless the restrictions of this clause are waived by the Secretary of Transportation in accordance with 49 CFR 30.17, no contract shall be awarded to an Offeror or subcontractor:

1) who is owned or controlled by one or more citizens or nationals of a foreign country included on the list of countries that discriminate against U.S. firms published by the USTR; or

2) whose subcontractors are owned or controlled by one or more citizens or nationals of a foreign country on such USTR list; or

3) who incorporates in the public works project any product of a foreign country on such USTR list.

Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render, in good faith, the certification required by this provision. The knowledge and

information of a contractor is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

The Offeror agrees that, if awarded a contract resulting from this solicitation, it will incorporate this provision for certification without modification in all lower tier subcontracts. The Contractor may rely on the certification of a prospective subcontractor that it is not a firm from a foreign country included on the list of countries that discriminate against U.S. firms as published by USTR, unless the Offeror has knowledge that the certification is erroneous.

This certification is a material representation of fact upon which reliance was placed when making an award. If it is later determined that the Contractor or subcontractor knowingly rendered an erroneous certification, the Federal Aviation Administration (FAA) may direct through the Owner cancellation of the contract or subcontract for default at no cost to the Owner or the FAA.

Title VI Solicitation Notice: The Laramie Regional Airport Board, in accordance with the provisions of Title VI of the Civil Rights Act of 1964 (78 Stat. 252, 42 USC 2000d to 2000d-4) and the Regulations, hereby notifies all bidders or offerors that it will affirmatively ensure that for any contract entered into pursuant to this advertisement, disadvantaged business enterprises will be afforded full and fair opportunity to submit bids in response to this invitation and no businesses will be discriminated against on the grounds of race, color, national origin (including limited English proficiency), creed, sex (including sexual orientation and gender identity), age, or disability in consideration for an award.

Certification of Offeror/Bidder Regarding Debarment

By submitting a bid/proposal under this solicitation, the bidder or offeror certifies that neither it nor its principals are presently debarred or suspended by any Federal department or agency from participation in this transaction.

Other Federal Provisions Award of contract is also subject to the following Federal Provisions:

Trade Restriction Certification

Lobbying Federal Employees

Recovered Materials

Government-wide Requirements for Drug-free Workplace

Other Federal Provisions included in Part A of the Special Provisions

The Owner reserves the right to reject any or all bids and to waive irregularities. The Bidder must supply all the information required by the bid documents and specifications. Funding for This Contract is Federally Assisted. Contractors at every tier must comply with applicable federal requirements including but not limited to: The Buy American Preference, Foreign Trade Restriction, Davis Bacon, Affirmative Action, Governmentwide Debarment and Suspension, Governmentwide Requirements for Drug-free Workplace, as contained in the bid documents. Title VI Solicitation Notice.

The Northeast Wyoming Regional Airport in accordance with the provisions of Title VI of the Civil Rights Act of 1964 (78 Stat. 252, 42

USC 2000d to 2000d-4) and the Regulations, hereby notifies all bidders or offerors that it will affirmatively ensure that for any contract entered into pursuant to this advertisement, [select businesses, or disadvantaged business enterprises or airport concession disadvantaged business enterprises] will be afforded full and fair opportunity to submit bids in response to this invitation and no businesses will be discriminated against on the grounds of race, color, national origin (including limited English proficiency), creed, sex (including sexual orientation and gender identity), age, or disability in consideration for an award.

Davis Bacon. The Contractor will be required to comply with the wage and labor requirements and to pay minimum wages in accordance with the schedule of wage rates established by the United States Department of Labor as referenced in the Contract. Non-Segregated Facilities. The Bidder is required to submit a Certification of Nonsegregated Facilities (included in the Proposal form). Equal Employment Opportunity and Affirmative Action Requirement. The proposed contract is under subject to 41 CFR 60-1.4 and Executive Order 11246 of September 24, 1965, and to the Equal Employment Opportunity (EEO) and Federal Labor Provisions.

A Contractor having 50 or more employees and his subcontractors having 50 or more employees and who may be awarded a subcontract of \$50,000 or more will be required to maintain an affirmative action program, the standards for which are contained in the specifications. To be eligible for award each bidder must comply with the affirmative action requirements which are contained in these specifications. DBE Requirement. The Northeast Wyoming Regional Airport Board has established an overall DBE goal for the year. Under this contract, the Airport Board is adopting a race-neutral means of facilitating DBE participation.

The bidder shall not discriminate on the basis of race, color, national origin, or sex in the performance of this contract. The bidder shall carry out all applicable requirements of 49 CFR Part 26 in the award and administration of DOT assisted contracts As required by 49 CFR Part

26, the Northeast Wyoming Regional Airport Board is required to create a bidders list, consisting of information about all DBE and non-DBE firms that bid or quote on DOT-assisted contracts. The purpose of this requirement is to allow use of the bidders list approach to calculating future overall DBE goals. As per the requirements of the Proposal section, all Prime Bidders submitting bids on this project must submit, with his or her bid, a list including the name, address, and DBE/non-DBE status of all subcontractors and suppliers that bid or quote for work under this contract. Failure to provide this information, as outlined in the Proposal section, will make the bidder non-responsive and not eligible for award of the contract.

Trade Restriction Certification: By submission of an offer, the Offeror certifies that with respect to this solicitation and any resultant contract, the Offeror 1) is not owned or controlled by one or more citizens of a foreign country included in the list of countries that discriminate against U.S. firms as published by the Office of the United States Trade Representative (USTR); 2) has not knowingly entered into any contract or subcontract for this project with a person that is a citizen or national of a foreign country included on the list of countries that discriminate against U.S. firms as published by the USTR; and 3) has not entered into any subcontract for any product to be used on the Federal project that is produced in a foreign country included on the list of countries that discriminate against U.S. firms published by the USTR.

This certification concerns a matter within the jurisdiction of an agency of the United States of America and the making of a false, fictitious, or fraudulent certification may render the maker subject to prosecution under Title 18 USC 1001. The Offeror/Contractor must provide immediate written notice to the Owner if the Offeror/Contractor learns that its certification or that of a subcontractor was erroneous when submitted or has become erroneous by reason of changed circumstances. The Contractor must require subcontractors provide immediate written notice to the Contractor if at any time it learns that its certification was erroneous by reason of changed circumstances. Unless the restrictions of this clause are waived by the Secretary of Transportation in

accordance with 49 CFR 30.17, no contract shall be awarded to an Offeror or subcontractor: 1) who is owned or controlled by one or more citizens or nationals of a foreign country included on the list of countries that discriminate against U.S. firms published by the USTR; or 2) whose subcontractors are owned or controlled by one or more citizens or nationals of a foreign country on such USTR list; or 3) who incorporates in the public works project any product of a foreign country on such USTR list.

Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render, in good faith, the certification required by this provision. The knowledge and information of a contractor is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings. The Offeror agrees that, if awarded a contract resulting from this solicitation, it will incorporate this provision for certification without modification in all lower tier subcontracts. The Contractor may rely on the certification of a prospective subcontractor that it is not a firm from a foreign country included on the list of countries that discriminate against U.S. firms as published by USTR, unless the Offeror has knowledge that the certification is erroneous.

This certification is a material representation of fact upon which reliance was placed when making an award. If it is later determined that the Contractor or subcontractor knowingly rendered an erroneous certification, the Federal Aviation Administration (FAA) may direct through the Owner cancellation of the contract or subcontract for default at no cost to the Owner or the FAA. Funding and Award.

This contract will be funded in part by grants from the Federal Aviation Administration, (FAA) and Wyoming Department of Transportation Aeronautics Division (WYDOT). Therefore, award of the Contract by the Sponsor will be made subject to concurrence of the FAA and WYDOT.
