CALL FOR BIDS
Park County Crisis Intervention Services Cody Office
Renovation and Addition Project
This project includes renovation and addition to the Park County Crisis Intervention Services Cody Office. The project consists of an interior renovation and addition to

the existing Park County Crisis Intervention Services Cody office. The project will be a two-phased project, with independent funding sources obtained by the organization. The interior renovation will remodel the offices to create new ADA accessible toilet rooms, minor wall modifications and interior finishes. The renovation will remove one of the duplex stairwells and combine access to the second floor into one second floor landing, and office access with a new segregated exterior entrance. The first-floor renovation provides access between the duplex suites via a new hallway under the existing stair. Interior remodel materials include new wood stud walls, bearing wall structural reinforcement, new drywall finishes, painting, flooring, plumbing fixtures and residential style cabinetry. The addition includes two new studio apartments, attached to the existing office building, with a link between the existing and new structures. The apartments include a new kitchenette, living space, bedroom and bathroom. Construction includes new foundations (full basement alternate #1) with mechanical space for HVAC equipment and ductwork distribution and plumbing routing. The new apartments are metal sided, asphalt architectural shingle roofed wood type construction with pre-engineered trusses.

First copies of the contract documents will be on file after March 25, 2024 and open to public inspection in the office of Plan One/Architects, 225 W Yellowstone Avenue, Suite 4, Cody, WY 82414 or as posted to Quest Construction Data Network at www.questcdn.com. Failure to provide this information, as outlined in the Proposal section, will make the bidder non-responsive and not eligible for award of the contract. Trade Restriction Certification: By submission of an offer, the Offeror certifies that with respect to this solicitation and any resultant contract, the Offeror 1) is not owned or controlled by one or more citizens of a foreign country included in the list of countries that discriminate against U.S. firms as published by the Office of the United States Trade Representative (USTR); 2) has not knowingly entered into any contract or subcontract for this project with a person that is a citizen or national of a foreign country included on the list of countries that discriminate against U.S. firms as published by the USTR; and 3) has not entered into any subcontract for any product to be used on the Federal project that is produced in a foreign country included on the list of countries that discriminate against U.S. firms published by the USTR. This certification concerns a matter within the jurisdiction of an agency of the United States of America and the making of a false, fictitious, or fraudulent certification may render the maker subject to prosecution under Title 18 USC 1001. The Offeror/Contractor must provide immediate written notice to the Owner if the Offeror/Contractor learns that its certification or that of a subcontractor was erroneous when submitted or has become erroneous by reason of changed circumstances. The Contractor must

require subcontractors provide immediate written notice to the Contractor if at any time it learns that its certification was erroneous by reason of changed circumstances. Unless the restrictions of this clause are waived by the Secretary of Transportation in accordance with 49 CFR 30.17, no contract shall be awarded to an Offeror or subcontractor: 1) who is owned or controlled by one or more citizens or nationals of a foreign country included on the list of countries that discriminate against U.S. firms published by the USTR; or 2) whose subcontractors are owned or controlled by one or more citizens or nationals of a foreign country on such USTR list; or 3) who incorporates in the public works project any product of a foreign country on such USTR list. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render, in good faith, the certification required by this provision. The knowledge and information of a contractor is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings. The Offeror agrees that, if awarded a contract resulting from this solicitation, it will incorporate this provision for certification without modification in all lower tier subcontracts. The Contractor may rely on the certification of a prospective subcontractor that it is not a firm from a foreign country included on the list of countries that discriminate against U.S. firms as published by USTR, unless the Offeror has knowledge that the certification is erroneous. This certification is a material representation of fact upon which reliance was placed when making an award. If it is later determined that the Contractor or subcontractor knowingly rendered an erroneous certification, the Federal Aviation Administration (FAA) may direct through the Owner cancellation of the contract or subcontract for default at no cost to the Owner or the FAA. Funding and Award. This contract will be funded in part by grants from the Federal Aviation Administration, (FAA) and Wyoming Department of Transportation Aeronautics Division (WYDOT). Therefore, award of the Contract by the Sponsor will be made subject to concurrence of the FAA and WYDOT. Non-Segregated Facilities. The Bidder is required to submit a Certification of Non-segregated Facilities (included in the Proposal form). Equal Employment Opportunity and Affirmative Action Requirement. The proposed contract is under subject to 41 CFR 60-1.4 and Executive Order 11246 of September 24, 1965, and to the Equal Employment Opportunity (EEO) and Federal Labor Provisions. A Contractor having 50 or more employees and his subcontractors having 50 or more employees and who may be awarded a subcontract of \$50,000 or more will be required to maintain an affirmative action program, the standards for which are contained in the specifications. To be eligible for award each bidder must comply with the affirmative action requirements which are contained in these specifications. DBE Requirement. The Yellowstone Regional Airport Board has established an overall DBE goal for the year. Under this contract, the Airport Board is adopting a 11.7% race-conscious means of facilitating DBE participation. The bidder shall not discriminate on the basis of race, color, national origin, or sex in the performance of this contract. The bidder shall carry out all applicable requirements of 49 CFR Part 26 in the award and administration of DOT assisted contracts As required by 49 CFR Part 26, the Yellowstone Regional Airport Board is required to create a bidders list, consisting of information about all DBE and non-DBE firms that bid or quote on DOT-assisted contracts. The purpose of this requirement is to allow use of the bidders list approach to calculating future overall DBE goals. As per the requirements of the Proposal section, all Prime Bidders submitting bids on this project must submit, with his or her bid, a list including the name, address, and DBE/non-DBE status of all subcontractors and suppliers that bid or quote for work under this contract. Failure to provide this information, as outlined in the Proposal section, will make the bidder non-responsive and not eligible for award of the

contract. Funding and Award. This contract will be funded in part by grants from the Federal Aviation Administration, (FAA) and Wyoming Department of Transportation Aeronautics Division (WYDOT). Therefore, award of the Contract by the Sponsor will be made subject to concurrence of the FAA and WYDOT. Bidders may not withdraw Proposals for a period of sixty (60) days after the bid opening date. The pre-bid conference is hereby established at 1:00 p.m., March 26, 2024, in the Board Room at the Yellowstone Regional Airport, Cody, Wyoming. A tour of the work site at the Yellowstone Regional Airport will be conducted following the pre-bid conference. Signed: Aaron Buck Airport Director Yellowstone Regional Airport
