The Owner reserves the right to reject any or all bids and to waive irregularities. The Bidder must supply all the information required by the bid documents and specifications. Funding for This Contract is Federally Assisted. Contractors at every tier must comply

with applicable federal requirements including but not limited to: the Buy American Preference, Foreign Trade Restriction, Davis Bacon, Affirmative Action, Governmentwide Debarment and Suspension, Governmentwide Requirements for Drug-free Workplace, as contained in the bid documents. Title VI Solicitation Notice. The Mondell Field Airport, in accordance with the provisions of Title VI of the Civil Rights Act of 1964 (78 Stat. 252, 42 USC 2000d to 2000d-4) and the Regulations, hereby notifies all bidders or offerors that it will affirmatively ensure that for any contract entered into pursuant to this advertisement, disadvantaged business enterprises will be afforded full and fair opportunity to submit bids in response to this invitation and no businesses will be discriminated against on the grounds of race, color, national origin (including limited English proficiency), creed, sex (including sexual orientation and gender identity), age, or disability in consideration for an award. Davis Bacon. The Contractor will be required to comply with the wage and labor requirements and to pay minimum wages in accordance with the schedule of wage rates established by the United States Department of Labor as referenced in the Contract. Non-Segregated Facilities. The Bidder is required to submit a Certification of Nonsegregated Facilities (included in the Proposal form). Equal Employment Opportunity and Affirmative Action Requirement. The proposed contract is under subject to 41 CFR 60-1.4 and Executive Order 11246 of September 24, 1965, and to the Equal Employment Opportunity (EEO) and Federal Labor Provisions. A Contractor having 50 or more employees and his subcontractors having 50 or more employees and who may be awarded a subcontract of \$50,000 or more will be required to maintain an affirmative action program, the standards for which are contained in the specifications. To be eligible for award each bidder must comply with the affirmative action requirements which are contained in these specifications. DBE Requirement. The Mondell Field Airport has established an overall DBE goal for the year. Under this contract, the Airport Board is adopting a race-neutral means of facilitating DBE participation. The bidder shall not discriminate on the basis of race, color, national origin, or sex in the performance of this contract. The bidder shall carry out all applicable requirements of 49 CFR Part 26 in the award and administration of DOT assisted contracts. As required by 49 CFR Part 26, the Mondell Field Airport is required to create a bidders list, consisting of information about all DBE and non-DBE firms that bid or quote on DOT-assisted contracts. The purpose of this requirement is to allow use of the bidder list approach to calculating future overall DBE goals. As per the requirements of the Proposal section, all Prime Bidders submitting bids on this project must submit, with his or her bid, a list including the name, address, and DBE/non-DBE status of all subcontractors and suppliers that bid or quote for work under this contract. Failure to provide this information, as outlined in the Proposal section, will make the bidder non-responsive and not eligible for award of the contract. Trade Restriction Certification: By submission of an offer, the Offeror certifies that with respect to this solicitation and any resultant contract, the Offeror 1) is not owned or controlled by one or more citizens of a foreign country included in the list of countries that discriminate against U.S. firms as published by the Office of the United States Trade Representative (USTR); 2) has not knowingly entered into any contract or subcontract for this project

with a person that is a citizen or national of a foreign country included on the list of countries that discriminate against U.S. firms as published by the USTR; and 3) has not entered into any subcontract for any product to be used on the Federal project that is produced in a foreign country included on the list of countries that discriminate against U.S. firms published by the USTR. This certification concerns a matter within the jurisdiction of an agency of the United States of America and the making of a false, fictitious, or fraudulent certification may render the maker subject to prosecution under Title 18 USC 1001. The Offeror/Contractor must provide immediate written notice to the Owner if the Offeror/Contractor learns that its certification or that of a subcontractor was erroneous when submitted or has become erroneous by reason of changed circumstances. The Contractor must require subcontractors provide immediate written notice to the Contractor if at any time it learns that its certification was erroneous by reason of changed circumstances. Unless the restrictions of this clause are waived by the Secretary of Transportation in accordance with 49 CFR 30.17, no contract shall be awarded to an Offeror or subcontractor: 1) who is owned or controlled by one or more citizens or nationals of a foreign country included on the list of countries that discriminate against U.S. firms published by the USTR; or 2) whose subcontractors are owned or controlled by one or more citizens or nationals of a foreign country on such USTR list; or 3) who incorporates in the public works project any product of a foreign country on such USTR list. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render, in good faith, the certification required by this provision. The knowledge and information of a contractor is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings. The Offeror agrees that, if awarded a contract resulting from this solicitation, it will incorporate this provision for certification without modification in all lower tier subcontracts. The Contractor may rely on the certification of a prospective subcontractor that it is not a firm from a foreign country included on the list of countries that discriminate against U.S. firms as published by USTR, unless the Offeror has knowledge that the certification is erroneous. This certification is a material representation of fact upon which reliance was placed when making an award. If it is later determined that the Contractor or subcontractor knowingly rendered an erroneous certification, the Federal Aviation Administration (FAA) may direct through the Owner cancellation of the contract or subcontract for default at no cost to the Owner or the FAA. Funding and Award. This contract will be funded in part by grants from the Federal Aviation Administration, (FAA) and Wyoming Department of Transportation Aeronautics Division (WYDOT). Therefore, award of the Contract by the Sponsor will be made subject to concurrence of the FAA and WYDOT. Bidders may not withdraw Proposals for a period of sixty (60) days after the bid opening date. A non-mandatory pre-bid meeting is hereby established at 10:00 a.m., April 24, 2024, at the Mondell Field Airport Manager s Office, Newcastle, Wyoming. A tour of the work site at the Mondell Field Airport will be conducted following the pre-bid meeting. Notice is hereby given that the City of Laramie, Wyoming, will receive electronic bids for the furnishing of all labor, materials, tools, appliances, transportation, and services necessary to complete the Crossover Waterline Project as called for in the Project Manual and generally described as follows: The City of Laramie, Wyoming, intends to build a waterline connecting a 20 and a 24 waterline running parallel to each other southwest of Laramie. Sunrise Engineering has been hired to design this waterline and investigate the logistics for making a hot tap into the 24 pipe. The crossover pipeline will be made of 20 PVC with the necessary fittings and appurtenances. The existing waterlines are situated within an established easement traversing an open field owned by Mountain Cement Company. They are positioned beneath a raised embankment, running parallel to each other. At one juncture, the 24 pipeline veers eastward at an approximate 60-degree angle. At this juncture, both the ground and pipeline transition to a lower elevation. The field where they are located frequently accumulates significant standing water, resulting in wet and less stable ground conditions.

Electronic bids shall be submitted online until 1:00 PM Local Time, on the 28th Day of May 2024, at which time the bids will be publicly opened and read aloud. All bids must be furnished electronically through the QuestCDN VirtuBid platform. Instructions for online bidding using QuestCDN have been attached as part of the Instructions to Bidders document. Bids which are not prepared and filed in accordance with the Instructions to Bidders may be rejected. The City reserves the right to reject any and all bids and the right to waive irregularities in bids received.

Each bid must be accompanied by a bid bond with sufficient surety, for not less than five percent (5%) of the total amount of such bid, payable to, and to be forfeited to, the City of Laramie as liquidated damages if bidder fails to enter into contract within thirty (30) days after award to him, or fails, at the time of executing the agreement, to furnish a performance bond and a payment bond each in the amount of one hundred percent (100%) of the bid. Facsimile (fax) or other copies of bonds are not acceptable. NO BID WILL BE CONSIDERED IF NOT ACCOMPANIED BY SUCH BOND, OR IF NOT IN CONFORMANCE WITH THE PROVISIONS OF W.S. 15-1-113.

A complete set of the Project Manual and Plans may be downloaded after the 12th day of April, 2024, via the City website <http://www.cityoflaramie.com/projects/>, which will lead to a QuestCDN website, where the bidder must login and pay a fee of twenty-five dollars (\$25). This login and deposit will ensure that the plan holders are identified and supplied the possible addendum and notices associated with the project.

Questions about the project may be directed to Cole Inghram, Project Manager. He can be reached at (307) 721-5250, or: engineering@cityoflaramie.org.

A pre-bid conference shall be held at 10:00 AM on the 7th day of May 2024, at the City of Laramie North Platte Conference Room, 4373 North 3rd Street, Laramie, WY 82072, at which attendance by Bidders is MANDATORY.

The City of Laramie seeks to integrate energy efficiency practices into all aspects of day-to-day operations, from capital construction specifications to staff behaviors, to ensure economic and environmental sustainability. The City encourages bidder submissions that 1) enhance the efficiency of City projects and ongoing operations, and/or 2) consider all energy types, including traditional and renewable sources.

Pursuant to W.S. 16-6-101 through 16-6-107, Preference is hereby given to resident contractors, materials, supplies, agricultural products, equipment, machinery and provisions produced, manufactured or grown in Wyoming, or supplied by a resident of the state, quality being equal to articles offered by the competitors outside of the state.
