

# Invitations to Bid

## Monday, December 7, 2020

---

Legal Notice GE Johnson Construction Wyoming (CMAR) has been selected by the Trustees of the University of Wyoming, the Owner, for the Science Initiative Building located at 468 North 10th Street Laramie, WY 82072. The Architect for the project is GSG Architecture and Perkins+Will. Project description: The new Science Initiative Building project is a 153,000 SF 5 story structure, including a concrete foundation, structural steel frame with a composite concrete floor system. The building is currently under construction. Your firm is invited to bid on the above referenced project for Audiovisual Systems. Bids will be accepted electronically only on Building Connected, no phone in or paper bids. Bid documents will be available electronically on 30 November 2020. For access to the bid documents, please contact Jeff Meena at: meenaj@gejohnson.com. All bids must be submitted on Specification bid forms by 10 am MDT on 11 December 2020. Bids received after this time and date may be considered non-responsive. Public opening will be held on 11 December 2020 commencing at 1030 AM at the construction project site 468 North 10th Street Laramie, WY 82072

Notice is hereby given that TRU-GRIT LAND DEVELOPMENT, LLC, a Wyoming Limited Liability Company (hereinafter called OWNER) will receive sealed bids at the Monument Home Builders Office located at 140 Walterscheid Blvd Cheyenne, WY, until 4:00 PM on January 7, 2021. The base bid work is described in the contract documents and consists of constructing a new 27 sanitary sewer main along the Allison Draw Flood Control Channel between West College Drive and the northwest corner of the Laramie County Community College campus. The major work items include the following: construction of 7,225 linear feet of 27 sanitary sewer main; approx. 24 sanitary manholes; a dewatering plan; jack and bore for two (2) roadway crossing; removal and reconstruction of greenway paths; and grassland/wetland reclamation. A complete bid alternate for an 18-inch sanitary sewer is also included as part of the bidding options. Pre-qualification and/or pre-approval by the OWNER is required for submission of bids. Contact the Engineer for prequalification criteria. Digital (PDFs) of bid documents, special provisions, and contract design plans will be available for pre-qualified or pre-approved bidders. Contact Kelly Hafner with CivilWorx, LLC via email at Kelly.Hafner@CivilWorxeng.com or phone at 307-514-1012 for requirements to pre-qualify for bidding. Bids must be submitted on proposal forms provided in accordance with the contract documents. Pre-qualified Bidders are hereby notified that the Work is required to be conducted in compliance with Wyoming Statute 16-6-201, the "Wyoming Preference Act of 1971." Special attention is called to Wyoming Statute 16-6-203, Required resident labor on public works projects; exception. Bids may be mailed or delivered to: Tru-Grit Land Development, LLC Attn: Ed Ernste, Manager 140 Walterscheid Blvd, Cheyenne, WY

82007 Tru-Grit Land Development, LLC reserves the right to reject any and all bids or schedules, and to waive irregularities and formalities, and to award the contract in whole or in part in the best interest of the OWNER
